## **PREAMBLE**

Education brings changes in the social strata of society. Building a healthy society by providing a high quality education is the prime objective of our institution. As we firmly believe that education is the only way to uplift the society, it is our humble endeavour to establish a value-based, research-oriented education system where students will be able to hone their multi-dimensional personality through various scholastic and co-scholastic programmes.

**“World is not a parking lot. It is a racing track, no matter from where you start, reaching the goal is all that counts”.**

## **VISION, MISSION & COMMISSION**

Our **VISION** is “Committed to Excellence” where success is a tradition. We believe that each student is unique and has to shine in the world. Our **VISION** is also to educate and empower young minds according to the new world order.

Our **MISSION** is to achieve excellence in education as a unique player. Each student has a potential. Our mission is to provide a platform to the student to exhibit his / her potential.

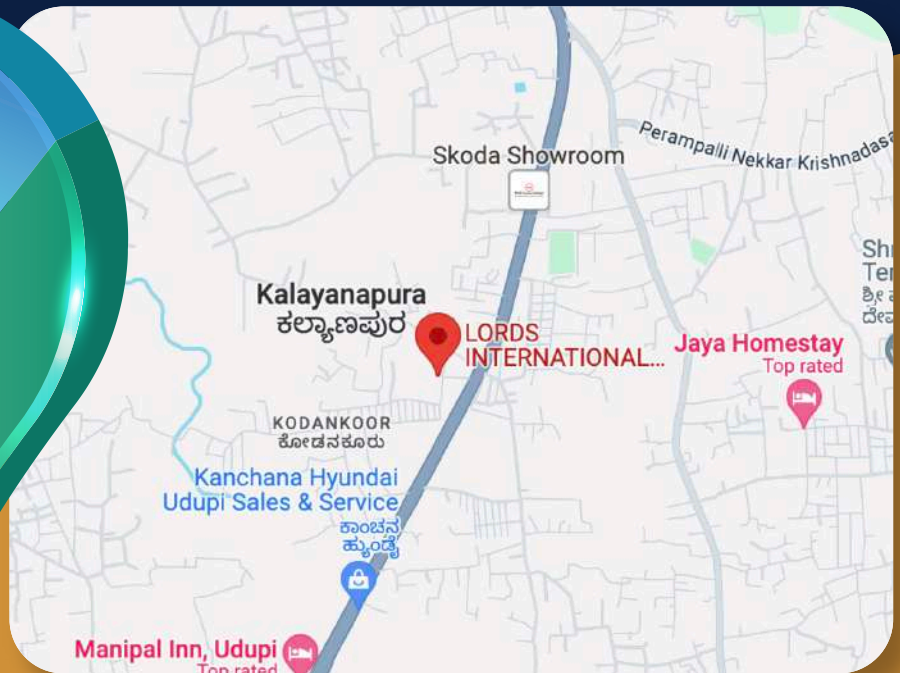

Our **COMMISSION** is to set up a high calibre educational institute at par with international standard. Each student's happiness is our priority. Preparing and moulding them into good human beings is our responsibility.

# VALUE ADDED SERVICES

## SPORTS AND GAMES

Sports and games play a major role in keeping a child fit and fine. They enhance physical and mental abilities, increase the spirit of team work, accountability, self- confidence, responsibility and self-discipline. Keeping these valuable benefits in mind, LORDS encourages and motivates sports and games on a large scale. We have planned for a well-maintained field track of international standard.

## SWIMMING POOL

We are planning to have 25 mtrs. 6 lane hygienic swimming pool to enhance student's Cardio-vascular health. Trained lifeguards and coaches will be available all times at the pool.

## MULTI-GYM

Students, who participate in sports, games, physical activities, mind games tend to score good grades and improve their cognitive domain. LORDS will provide multi - gym facilities with an experienced trainer round the corner.

## CAMPUS LIFE

### “A Little Progress Each Day Adds Up To Big Results”

Campus is a place where students are challenged to make good decisions and lead in a positive way. LORDS campus provides hi-tech facilities to their boarders.

A well-stocked library, a visual & performing arts centre, ultra-modern Science and Computer labs, Sports field for all major games, a studio for Mind Games, Yoga & Meditation sessions will enable the student to discover his / her innate talents.

## HEALTH AND HYGIENE

### “Safety And Health Is Our Top Priority Always”

We are blessed with the best of the best medical support 24×7. Any sort of ill-health will be attended to without delay. A good number of qualified doctors are on call to assist our trained medical team at LORDS.

Our boarding children spend most of their valuable time with us. They need to develop & learn life-skills like time-management, duties and responsibilities, discipline and etiquettes. LORDS family is ready to shoulder the responsibility as parents.

Our qualified, dedicated, amiable and experienced team of hostel care-takers along with wardens, matrons, counsellors, helpers, safety and security personnel will be on task round the clock.

Sumptuous and hygienic mess, modern laundry facility, luxurious and comfortable 4-bedded dorms with centralized A/Cs, lifts, well-maintained wash and bath area with proper ventilators and all the basic amenities are made available for the inmates of LORDS.

## HOUSE SYSTEM

### “Talent Wins Game But Teamwork And Intelligence Win Championships”

To promote team-spirit and a sense of belonging to the school and to enable senior students to provide care and directions to their junior school-mates, we have decided to have a house system where the entire school will be divided into 4 houses. Inter-house competitions to whet the students' skills will be held regularly in various events.

# LIBRARY AND SCHOOL INFORMATION CENTRE

**“KNOWLEDGE IS POWER,  
EXPOSURE PULLS ITS KEY”**

A library is a very useful platform that provides the right atmosphere for students to expand their horizon of learning and thinking.

LORDS develops students' reading habits from library and intensifies their thirst and curiosity for knowledge forever.

## MODEL LABS

For first-hand learning experience, LORDS provides well-equipped science labs that enable students to explore and understand different scientific theories and concepts by undertaking hands-on activities.

First school in Karnataka to establish a world class "IMMERSIVE STEM LAB UNDER QWINGS" IIT Madras Research Park, Chennai, where students will have exposure to AI, AR & VR, IOT DRONES, CODING, DESIGN, SPACE & DEFENCE
